

## Privacy policy

At Sacci, we do our utmost to protect your personal integrity and act in accordance with current legislative requirements related to personal data protection.

We register and store information in our database where we manage personal data in the form of names, e-mails and telephone numbers. The data is used for the purpose of communicating with our customers, suppliers and partners. We also use the personal information to facilitate the distribution of newsletters and other web-based information.

We may also use the personal data for the purpose of following up customer relations, conducting customer surveys, and sending out offers from Sacci.

In cases where information is provided to us via e-mail, consent is given to any personal data being registered.
